Discover the Vineyards of Franschhoek

The Franschhoek Wine Tram hop-on hop-off tour is one of the best ways to discover the true essence of the Franschhoek Valley – picturesque vineyards, breath-taking scenery, warm hospitality, world-class cuisine, fine wines and a 300 year history.

Tour Experience

Passengers on board the hop-on hop-off tour will experience a unique and leisurely way to see the Franschhoek Valley as they journey through rolling vineyards in an open-side tram and open-air tram-bus stopping in at some of South Africa's oldest and most distinguished wine estates.

A combination of tram and tram-bus transports passengers around a loop of stops allowing them to hop-off at each stop and experience the activities on offer, be it wine tasting, a cellar tour, lunch or simply a stroll through the vineyards and when they are ready, hop-on to continue the tour. The experience takes passengers right into the heart of the Franschhoek Valley, with unparalleled views of the vineyards and a narration focusing on the history of Franschhoek and wine cultivation in the valley.

Franschhoek Valley

Breathtaking scenery, warm hospitality, world-class cuisine and fine wines: These are the hallmarks of the beautiful Franschhoek Valley in the heart of the Cape Winelands. When the Huguenots first settled in this spectacular valley over 300 years ago they brought with them their traditions and knowledge in winemaking and viticulture from their native France and transformed the wilderness around them into one of the most beautiful valleys in the world. This proud heritage can be seen and felt today in the Village and on the surrounding farms.

There are a variety of cellars, from small boutique wineries that cater for those in search of something unique, to large cellars that offer organised tours and conducted tastings. Award-winning wines range from plump reds to elegant whites and delicious sparkling wines. This longstanding tradition of winemaking is a perfect complement to the excellent food that is served in any one of Franschhoek's more than 40 restaurants. Franschhoek is known as the Wine & Gourmet Capital of South Africa and has among its truly talented chefs several who have been awarded the highest national and international culinary honors.
